### Course regulations:

#### Pace of Play:

Groups must maintain the pace with the group ahead, aiming to complete 9 holes within 2 ¼ hours and 18 holes within 4 ½ hours. Given our course's Pace of Play rating of 2 hours per 9 holes, the allocated times are deemed adequate.

#### Pace of Play Tips:

- Engage in ready golf.
- New and high-handicap golfers are encouraged to use the forward tees.
- All players should observe where shots land.
- Prepare your putt while others are also getting ready.
- Continue putting until the ball is in the hole.
- Limit practice swings.
- On par 3's, players unable to reach the green should play when ready.
- Park carts strategically to facilitate efficient movement away from play.
- Carry multiple clubs when walking to your ball, including during searches for lost balls.
- Mark scores at the next tee, not on the green.
- The low handicapper should monitor time adherence and keep pace with the group ahead.
- Remember, your correct position is directly behind the group in front, not in front of the group behind you.
- Use provisional balls to avoid returning to previous shot locations.

- Limit searches for lost balls to no more than three minutes.
- A mere 15-second delay per player per hole can extend the total round time by an additional 18 minutes.

#### **Dress Code:**

- Shirts are mandatory at all times.
- Tank tops, halter tops, muscle shirts, and fishnet shirts are prohibited.
- Appropriate golf footwear is required; metal spikes are not allowed. Our pro shop can convert your shoes to soft spikes.
- Please clean your shoes using the provided brushes before entering the clubhouse.

#### **Etiquette on the course:**

- Play should be swift and without delays.
- Adhere to the course rotation unless otherwise permitted by the pro-shop.
- Single players must yield to all groups.
- Groups larger than four require prior approval.

#### **Respect the course:**

- Smooth sand in bunkers after use.
- Replace and press down any displaced turf from tee to green.
- Repair any damage to the greens.
- Avoid damage when placing bags or flagsticks on the greens.

#### **Power Carts:**

A signed rental agreement is required before issuing cart keys.

- Observe any posted cart restrictions.
- Power carts must adhere to the path on all par 3's unless an exception is made for physical disabilities.
- The superintendent, in conjunction with the General Manager, will determine specific rules.
- Maximum two riders per cart and two carts per foursome.
- Carts must avoid teeing areas, bunkers, and greens.

#### **Feedback and Complaints:**

We welcome your suggestions and constructive criticism. Please direct any feedback to our General Manager, Gareth Tanswell. Any form of abuse towards staff or players will not be tolerated. Address all grievances through the General Manager or Senior Staff for proper resolution.
